Wataru-san!
Hello~!
Ah,
WELL...

?
THIS IS NOT THE FIRST TIME I WANT TO CRY SEEING HIM EASILY HOOKED UP WITH A GIRL.
SINCE I START RE-MEMBERING THINGS, AND BEING A GAY FOR MORE THAN TEN YEARS,
I DON'T WANT TO BE HURT AGAIN JUST BY THAT NOW.

# 運命の恋になりたい

I want to be your Destined Love

make it to love of the fate

32 pages of a love comes true~

切なく静かな片想い。
お前には届かない、届けない。
届けるつもりもない。

The painful quiet story of an unrequited love.
It doesn't reach you... it won't reach you.
I don't want it to reach you.

It ain't gonna hurt me,
but it pisses me off! ARGH! So irritating!!!
slam
There you go again... Wataru-chan. What's wrong?

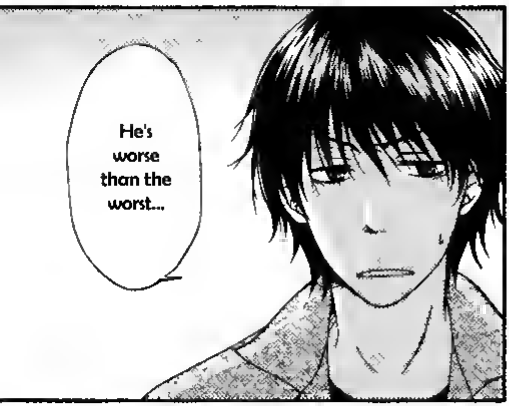
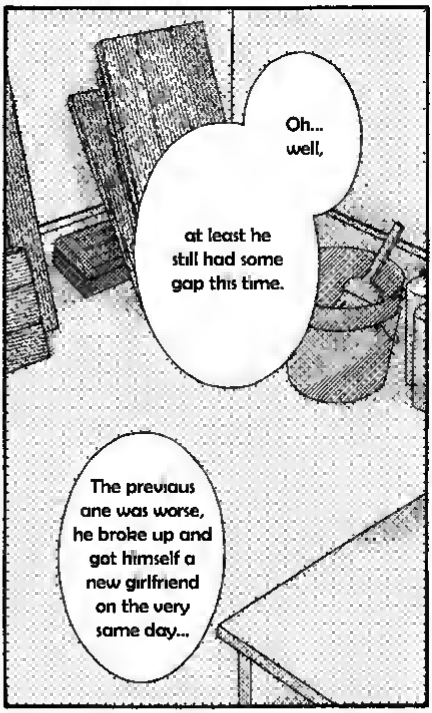
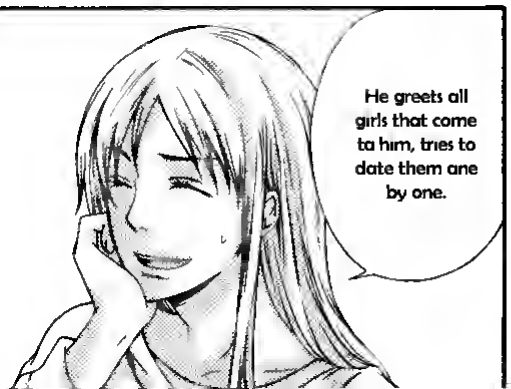
That idiot is with another woman again .....!!
Hana-chan? That boy sure knows how to do things despite his cute face, huh?
Didn't he just break up last week?
You mean 3 days ago...



He's worse than the worst...



Oh... well,
at least he still had some gap this time.
The previous one was worse, he broke up and got himself a new girlfriend on the very same day...



He greets all girls that come to him, tries to date them one by one.

A sincere guy won't go out with another girl right after a break up.
Well, you're right.
You can say he's sincere... perhaps?
And he's kind, too.
But at least he doesn't cheat when he's with someone.
.....
What is it?
...there, there.

Because you're definitely hurt.
I'm not...
Hello...
creak
Shut up!
Well~ aren't you in love...

Ah, Hana-chan.
You two are back early, Wataru-san, Yuki-san.
Thanks for your hard work today.
I've already heard good things about it! Seems like it will go well this time!
Haha...
It'll be nice if it does.
If it's about that...
Tck...

bow
Wataru-san, are you okay? You look pale.
Wha...
I do not!
Too close!
Is that so?
Good then... Doesn't this room seem a bit dry?
?
PULL
Wataru's fine with oolong tea nght? How about you, Yuki-san?
You'll get me something, too? Then coffee, please~
I'll go buy tea ar something.
I'm fine, you dan't have ta.
But the school festival is near, it will be a problem if you have a sore throat.

close
.....
.....
Of course, because you're the important celebrity of the house.
Coffee, roger that.
Yank
...maybe I should try to aim for him the next time he breaks up.
He really is a nice man...
If you lay a hand on Tachibana, I'll kill you, you crossdresser bastard...
I can put up if he's with a girl, but I'll never allow it with a male bastard!!
Oh no, I'm just joking!
REAL NAME: YUKIO

What the hell... then why don't you just confess?!!
Shut up!!
Hana, how about this scene's set??
Ah, we can use last year's set, so you can work on this later.
Ah, I see, I see.

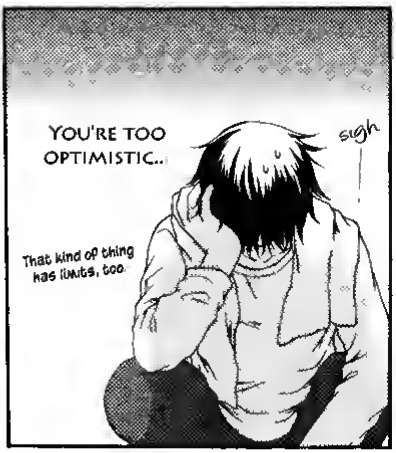
THAT IDIOT IS JUST A JERK WHO IS LACKING INTEGRITY.

Don't you have a certain type of woman that you like?
Can't you make up your mind?
Wataru-san... my family
is the kind of family where the father would bring a big bouquet of roses for every anniversary!
Huh?
What are you blabbing about..
Here?
A little bit to the right.
IT'LL BE MUCH EASIER ON ME IF I COULD JUST GIVE UP ON HIM

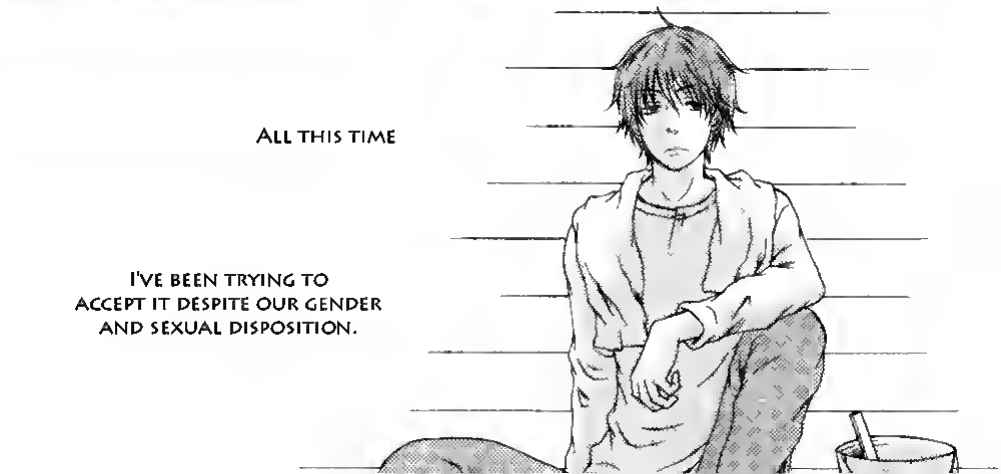
It was pretty embarassing when I was a child,
but now I think that kind of couple is really an ideal one.
Well, yeah...
Though, I do think being overly lovey-dovey like that would end any kind of great love.
My mother wosn't interested in my father when they first met.
But when she lost to my father's charms and tried dating him,
she realized she had just found her destined one
...or something like that.
...I see.

That's why, each time I meet a girl,
I wonder whether this girl is my destined one or not.
I try to think positively every time.

That line, don't you think you just mistook the accent?
Eh? Seriously?
Destiny ...huh?



YOU'RE TOO OPTIMISTIC..
sigh
That kind of thing has limits, too.



ALL THIS TIME
I'VE BEEN TRYING TO ACCEPT IT DESPITE OUR GENDER AND SEXUAL DISPOSITION.

WHEN I'M WITH HIM,
I JUST CAN'T HELP
BUT THINK "WHAT IF.."
Any woman would have a chance...
BUT I DEFINITELY WON'T HAVE ONE..
Wataru-san!

I got dumped again! Need drinks to drown the sorrow!
It's just...
Haha-
.....
That was fast.
How about a drink today?
With Yuki-san, too.
...sure, but why?
snore
snore
snore
She said I am different from my image.

She said I was more boring than she thought.
I THOUGHT YOU WERE MORE OF A PLAYFUL TYPE.
HUH?
TACHIBANA-KUN, YOU'RE UNEXPECTED-LY SINCERE.
Well...
They say girls are attracted to bad guys, but...
She sure is rude.
What a stupid girl.
But you're even more stupid.
Makes me think...
Maybe you're perfect for each other-

...what?
...I like you, Wataru-san.
If I were a girl, I'd definitely want to be your girlfriend.

raise
What th...
whack
...ouch!
GO TO HELL!!

bam
rattle
Wataru-san...
...Yuki-san, you were awake?
Aa~ah. What an idiot.
But...
He is... crying...?
WHY,?

Not sensitive ..?
Huh...?
Hana-chan, you're not sensitive enough.
...hey, Hana-chan,
But it can't be... That's...
Ack...

By the way, why lilies...?
I just couldn't imagine bringing roses.
I chose randomly at the flower shop.
...but lilies are no good...
Because we're homos...
